1. Please make arrangements for the following questions to be put to the source of the referenced report:

a. Describe the organization of the 1st and 2nd Ministries of Machine Industry, the Bureaus subordinate to these two Ministries and the activities they cover. List Chinese Communist personalities and Soviet advisors attached to the above ministries.

b. Does the source know anything of the origin of antifriction bearings supplied to the Mechanical Dept. of the Food Bureau? Specifically, were any of the bearings manufactured in Communist China, and if so where?

c. Besides the Food Bureau, what other Bureaus are subordinate to the Ministry of Light Industry? What activities do these other Bureaus cover?

d. Describe the Chinese Communist Five Year Plan as carried out in the Ministry of Light Industry? Was planning done on a yearly basis? Was there any general overall plan for the whole Five Year period?

e. If possible, have the source further elaborate on or substantiate the opinions expressed in Paragraph 14?

2. Please reply by cable.
